by a German submarine, without warning, with possible loss of American lives, and the endangering of the lives of several American citizens in the submarine attack on the British freighter Rowanmore, reported from Queenstown by American Consul Frost, contain possibilities of reviving the submarine controversy between the United States and Germany. Investigation, officials realize, may possibly disclose that there has been no violation of German pledges to the United States. Nevertheless, the reports transmitted by the American consul as "provisional," caused some uneasiness.

If you could look into a million homes

Could you look into one home in every twenty in America and see in all of them a coffee being served that is good enough to make breakfast as happy as this—

If you saw all these homes using the same coffee—

You would never rest until you had tried that coffee.

Your grocer has it—Arbuckles'. It is the most popular coffee in America today!

Like the women in these million homes, you will find that Arbuckles' has the rich full flavor you have always wanted.

Serve it. See how much pleasure coffee can give.

To supply the women of America with their favorite coffee, ships of Arbuckles' Coffee are on the sea every day, bringing coffee from the coffee growing countries to their big plant on the New York waterfront.
